MACDONALD COLLEGE

SEPTEMBER 29, 1967

STUDENT UNION

In a cold drizzle Mr. David Stewart places the cornerstone of our new Student Union.

YOUNG LIBERALS

Demand Agenda for Action

Student Liberals have approved a sweeping set of resolutions at the 3-day Canadian University Liberal Federation Convention held earlier this year at Ottawa's posh Holiday Inn. More than 50 campus clubs across Canada were represented by the more than 200 delegates who attended the conference. Some of the more important resolutions that were passed included:

(1) a resolution that the Federal Government set up a Department of Urban Affairs and Housing and that Central Mortgage and Housing Corporation be brought under the new department. Low cost housing should be encouraged by government rent subsidies to families of limited means. The Young Li-

berals would like to see an extension of the public housing program until there is a minimum of 75,000 units a year. Additional incentives should be provided to encourage home improvement such as deferring assessments on home improvements for a period of some years. Also in the field of Urban develop-

ment was a resolution urging the government to provide initiative and support for the control of water and air pollution by such means as tax incentives for industry.

(2) a resolution that Canada withdraw from the NORAD agreements which are due to lapse on May 12th, 1968 and that the U.S. and Canada hold joint discussions leading to the disposal of nuclear weapons under NORAD control on Canadian soil.

(3) a resolution calling for the broadening of divorce laws, in-

(Continued on page 2)

Queen's Students Put Up In Hotels

Kingston (C.U.P.) — Residences complete with phones, televisions and room service?

Not ordinarily, but this is the case with 40 co-eds and 50 men at Queen's University who are now living in the LaSalle Hotel due to lack of space in the residences. The students pay regular residence fees to the university, but share dining facilities with each other on-campus residences. University officials say the same arrangements might have to be made next year if residences projects are not completed on schedule.

SUPA Dissolved: New Left Committee Formed

Goderich (C.U.P.) — The Student Union for Peace Action which replaced the Combined Universities Campaign for Nuclear Disarmament in 1964 has been dissolved by delegates meeting recently in Goderich. A group called the New Left Committee has been set up in its place. The N.L.C., which is neo-Marxist, is a response to the need for "a much smaller, well-disciplined group of people", said Queen's delegate Ken Fisher. Delegates dissolved SUPA because the union had failed in its attempt to evolve a workable critique of Canadian society.

Manitoba Co-Op Buys Hotel

The Manitoba Students' Co-operative Housing Association has bought a hotel which will house 100 students. The Madison Hotel, formerly a nurses' residence is divided into nine-house-type units each capable of housing ten to eleven students. Each unit will be equipped with a lounge, kitchenette, and bathroom.

Discrimination at University of Manitoba

Winnipeg (C.U.P.) — UMSU President Chris Westdal charged that the University of Manitoba is "participating in discrimination against non-white students by maintaining two lists of accommodation of off-campus lodging, one which is available to all students, regardless of race or colour, and a second available to whites only. In a written reply denying the charge, University President Dr. Hugh Saunderson said the two lists maintained by the University actually differentiated between people who preferred to take in overseas students and people who had not expressed such a preference. Saunderson said that "if a homeowner tells us that he or she is prepared to take any student, and then refused any category, we strike that name from our list. But if a preference is expressed at the time of listing we try to make sure that a person of that type is given the name and address of the homeowner."

Birth Control Info to Co-Eds

Toronto (C.U.P.) — The student council of U. of T. has voted to provide birth control information to co-eds. The SAC birth control education program is mainly directed toward freshman co-eds. According to the Criminal Code of Canada such an education program would be illegal, and SAC president Tom Faulkner said that if the SAC were prosecuted "I realize that the president might have to go to jail". The U. of T. health service gives prescriptions for the Pill to married students, engaged couples, and sometimes single students living together.

UBC Remedies Lack of Housing

Vancouver (C.U.P.) — Faced by a critical shortage of housing, UBC authorities have issued an urgent appeal to secure housing accommodation. An appeal by acting UBC President Walter Gage; Don Munton, Chairman of the Alma Mater Society's housing committee; and international house director John Thomas, has been issued to landlords and householders having rooms or suites or houses available anywhere in the Vancouver area within commuting distance of the campus. University officials said the shortage is worse than ever and will probably cause real hardship unless more housing can be found quickly.

Report Discrimination by Kingston Landlords

Kingston (C.U.P.) — Kingston landlords and apartment owners discriminate against foreign students, a West Indian student at Queen's University claims. David Roett, an engineering postgraduate from Barbados, says he telephoned one house and asked to look at an apartment for rent. The landlady was agreeable until she thought to ask where he was from. When he replied "from the West Indies" she said he wouldn't find the apartment suitable. He asked to see it anyway, but the landlady refused. Noel Brown, a West Indian physics grad student said he feels that the Queens placement and housing service should not list housing which discriminates. "The University is an international sort of place, and should not sanction such action," he said.

EDITORIAL

Every year it is sure to show its unnecessary head, sometimes early, sometimes late. This year it is earlier than ever pity, but its true.

Every year the disciplinary powers on campus see fit to announce their fines and penalties. Why? Exactly what does it achieve?

The interesting fact about the whole business is that for all the threatening pronouncements nothing changes. Nothing changes for the simple reason that the whole attitude towards discipline and student conduct as a whole has not changed. With all due respect to the would-be statement that "students will be students", is it not high time that the whole approach matures? Is it not high time that the students were expected to familiarize themselves with their obligations and conduct themselves accordingly? If they don't, the appropriate action may be taken. Diaper changing is not only an unrewarding way of tackling the problem; it is also a poor solution.

The football game against Sir George Williams last Saturday was a classic in the above context. Not only did the disciplinary system completely break down, but it did so hot on the heels of the solemn directive issued by the heads of all the disciplinary bodies on campus. This, incidentally, included the Phillips Police Force.

It seems that all the stern pronouncements are hot air and nothing more, for last Saturday there was a good deal of liquor abuse that went entirely unchecked before the eyes of the security police. In fact, Coach Pugh was heard on many occasions to demand disciplinary action. Is the Athletics Department going to have to shoulder this responsibility also by default of the present powers? Furthermore, considering that the offenders were opposition supporters, their unchecked example is tempting Mac students to follow.

Finally, one hears ugly rumours about a Campus Student Police Force. These are not only distasteful, but hardly necessary if the bodies in existence would do their job. Somewhere in the line of command the directive of the Disciplinary heads failed to come through to those responsible.

Why not a little quiet action instead of unrewarding blow-offs!

Young Liberals...

(Cont'd. from page 1)
cluding mental cruelty and desertion as grounds for divorce.

(4) a resolution that "Canada extend diplomatic recognition to to People's Republic of China as the sole and legitimate government of the mainland, even at the risk of incurring a break in diplomatic relations with the Nationalist Chinese Government."

(5) a resolution (strongly advanced by the Quebec delegation) condemning American involvement in Viet Nam. The resolution pressed for immediate cessation of bombings on North Viet Nam by the U.S., recognition of the N.L.F. at the conference table as a legitimate political grouping in the South, and de-escalation of the military intervention of the U.S.A. with a gradual troop withdrawal. The convention endorsed General de Gaulle's theory of a neutral zone comprised of Viet Nam, Laos, Cambodia, and Thailand. The Young Liberals suggested that the Geneva Convention be reconvened to secure such an agreement and that the neutrality of these countries be assured by the governments of U.S.A., U.K., U.R.S.S., France, and China.

(6) a resolution urging the government to take a hard look at labour relations. The convention wants more "effective and sophisticated" procedures to deal with Civil Service strikes. Strong government action was advocated where large price increases

by a business or unnecessary layoffs affected vital community interests. The convention took a strong stand against foreign ownership by urging the government to: encourage the training of Canadians to replace foreign management, increasing the 20% tax deduction allowable on income from stock dividends to 50% thereby encouraging Canadian investment in Canadian industries; that government subsidies to foreign companies be discontinued; that strict guidelines be established for Canadian subsidiaries of foreign companies so that foreign laws will not be binding on these subsidiaries and that the subsidiaries be bound by Canadian legislation only; that native industries be protected from unnecessary liquidation and foreign absorption by not being required to pay the Inheritance Tax, and that the Canadian government encourage Canadian takeover of foreign subsidiaries by forcing these companies to sell their shares to Canadians.

(7) That a "Canada Research Corporation" be established by the government as a Crown Corporation with assets of at least 1 billion dollars to encourage the technological specialization of Canadian industry.

The government would do well to take heed of this policy convention, especially when the next election could see more than one third of the electorate under 30.

M.C.S.A. Conference

Today and tomorrow Mac. is participating in the 5th McGill Conference on Student Affairs. M.C.S.A. is a meeting of all student leaders on the McGill campus plus invited delegates from the University of Toronto, l'Université de Montréal, l'Université Laval, Queens, York, Macdonald College, l'Université de Sherbrooke and Carleton.

The seven students carrying Mac's Flag will take part in round table discussions on five major topics. The topics under discussion are: Undergraduate Societies, Communications, and News Media, External Affairs, Clubs, Philosophical and Interest Groups and Major Student Activities. Included with these topics are two panel discussions, the first of which is to be on Student Administrative Participation in University Government.

With the people that are going from Macdonald Mac's contribution should be as large and as important as anyone else's. Here's to a useful and successful series of meetings and we will gain as much from this conference as we can give.

FOLK SONG FESTIVAL

Auditions will be held at 7:30 P.M. on October 3, for folk song enthusiasts wishing to represent Macdonald College at the 4th Annual Folk Song Festival being held here at Macdonald College on Saturday, October 14.

All interested persons please contact Rod MacInnes, Box 206, Macdonald College.

Council Corner

by Harry Smith

This week's meeting was honored with the presence of Mr. and Mrs. Peter Hamilton, honorary president and honorary vice-president respectfully of this year's students council. The meeting also starred our Dr. Brawn. A four and one half hour session was held with much important discussion taking place.

President's Report

A very informative report was given by the president after the minutes.

a) Green and Gold is operative again. A progress report is expected to be in the President's hands in a few weeks.

b) Sometime next week, we should benefit from the installation of a stamp machine near the telephone booth outside the New Coffee Shop.

c) The Post Office will be unlocked and available for deposit of mail when the Main Building is unlocked.

d) The tunnel will remain open for the meal hours on week-ends.

e) Councillors from Household Science, Agriculture, Education, and Post-Graduate Studies will be elected next week. There will be a Students' Society Meeting on Monday, October 2nd at 4:00 pm. This meeting will be held in the Assembly Hall in the Main Building. Everyone is urged to attend.

Constitution

A reading of the constitution was given to the Council by the President to refresh the minds of the Council members.

Correspondence

It was noted that student groups using the Council House are not closing windows and locking doors.

"Mass Cards"

The Council approved the sending of Mass Cards to the surviving members of the family of a long-time employee of the Book Store, Mrs. Chenier whose sudden death was announced to Council.

Renovation Committee

A Student Council Member will sit at the Renovation Committee's meetings to act as liaison. This Councillor will report back to Students' to co-ordinate efforts of the two bodies.

Football Game

As a result of the Football game last Saturday, it was felt that some type of Police force will be needed where large crowds are involved. It was shown that there was intolerant attitude exhibited by Sir George students. Let us hope that these incidents were not the responsibility of Mac students.

Macdonald Christian Fellowship

The Macdonald Christian Fellowship are requesting funds for a trip. Since they are not a budgeted society, a letter is to be sent requesting submission of a budget.

Cornerstone

Finance Committee has been given the approval of Council to look into the purchase of a silver engraved trowel. This trowel is to be presented to Mr. David Stewart a token of our appreciation of the Centennial Center.

Dress Regulations

For all men who don't enjoy tie and shirt for the candlelight meal, it has been passed by Council that dress is casual for evening meals. The only meal you will dress up for will be the Sunday evening meal. Of course, if you can't break the habit, feel free to still wear tie and sports jacket.

LETTERS TO EDITOR

FROSH FLUNK

September 25th, 1967

The Editor,

I should like to have this message to the students at Macdonald College appear in your paper please.

The Literary and Debating Society regrets that due to lack of support, they had to cancel Freshman Review, which was to be held Tuesday evening. Only one class notified us of their intention to participate.

May I take this opportunity to remind all students that Lit and Deb cannot function without their support. It is too bad that Lit and Deb had to cancel its first function because of lack of interest. We do hope that this is not a prophecy of things to come.

Respectfully submitted,

Pres. of Lit and Deb
Doffa Tatem

Dear Editor,

Little Red Rosenberg went for a walk through the forest, and as you know, the wolf got to Grandma's house before she did. Anyways, the wolf got into Grandma's clothes and waited for Little Red. When she arrived she began to question her new relative.

"Grandma — vot big ears you have!"

"All the better to hear you mit mine child."

"Grandma, vot big eyes you have."

"All the better to see you mit, mine child."

"Grandma, vot a big nose you have."

"You should talk."

Isn't it time we had a humour section in the "Failt-Ye"?

Rhona Stein.

Ed Note. Is yours the humour we would have to print?

New Wardens

photo by Arnie

L-R. Mrs. Coufal — Miss. Proyer

This year Macdonald College welcomes two new Wardens to its Campus: Mrs. S. Coufal as Warden of Stewart Hall and Miss V. Proyer as Warden of Laird Hall.

Mrs. Coufal originally comes from Alberta, taught at the University of British Columbia prior to her arrival at Mac a year ago when she joined the Art Department. She feels that right now Mac is at the crossroads to a great future and wants to help us develop our potential. From her enthusiasm and experience I am sure she will be a great asset to MacDonald.

Miss Proyer hails from England but she is by no means a new-

comer to Canada, having arrived here in 1955. Until two years ago she held the position of Supervisor in the Nova Scotia School System whence she moved to the Big City and McGill. Luckily for us Miss Proyer likes Macdonald better and has become an active member of our Physical Education Department.

When asked about their views on residence life, Miss Proyer backed up Mrs. Coufal's democratic view that "Freedom Caries Responsibilities". With this as their goal and their friendly personalities, they will certainly have the cooperation of everyone and be very successful in their new jobs.

Home Ec. Society

The first Home Ec. Society meeting was held in the form of a dinner meeting on Wednesday Sept 20th.

The Executive for this year are:

- President — Margery Adrian
- Vice-Pres. — Fairlie McKee
- Sec.-Tres. — Marie Robertson
- Foods Convenor — Carol Stokes
- Program Convenor — Bonnie Snyder
- Publicity Convenor — Ann Marie Morton

Miss Devereaux was elected to the position of Honorary President.

Ruth Anne Linton was chosen to represent the Society at the third annual Home Ec. Convention to be held in Saskatoon this year. The first such convention was held at Macdonald two years ago.

Subsequent meeting will be held on the second Tuesday of every month. The general atmosphere of the first meeting was one of enthusiasm and it is hoped that this is an indication of the spirit for the coming year.

Tractor Driving Rodeo

The Calgary Stampede is coming to Mac!

Not really, but since we have your attention, something exciting is about to happen. The Royal Committee is going to sponsor this year's Tractor Rodeo as an outdoor event.

Commencing Monday, October 2, the competition will continue nightly after dinner till dusk on the lower campus. If you don't tear the turf one night, then we'll see you the next. For you inexperienced ladies who have the urge to be behind the wheel, remember, it's going to be fun. Hope to see you there.

Community Chest '67

This Saturday marks the beginning of Community Chest Activities on campus. Community Chest held every fall, is an organized week of events planned in an effort to raise funds for Children's Charities in our local area. Whether it be in the Car Wash, Bake Sale, Shoe Shine, Car Drive or Dance, it is hoped that every student will contribute to this worthy cause.

Professor Excels

Dr. J.E. McFarlane, Associate Professor, was awarded a National Research Council Senior Research Fellowship and is at present working at the Anti-Locust Research Centre, London, England, on leave of absence until August 31st, 1968.

MISS DUSEK SOON LEAVES MAC

Miss Erika Dusek is the house-keeper of Brittain Hall. Rumours have been circulating that she will be leaving Macdonald College very soon. The Fair-ye arranged an interview with her to confirm the rumours.

Miss Dusek confirmed she will be leaving, she said it was mainly a question of salary. She did not disclose how much she is being paid here and how much she will be paid in her new job, but as we could understand, her new job will be paying her much more than she is receiving here at Mac.

Born 57 years ago, Miss Dusek came to Canada as an immigrant in 1964. She is still officially an Australian citizen, but hopes to nationalize as a Canadian sometime in the future. She joined the staff of Macdonald College in May 1966.

We wanted to know how Miss Dusek has enjoyed her stay so far at Macdonald College. To her the job has been quite challenging and she has enjoyed every bit of it. She said she gets along fine with the boys and she would have liked to take all the Brittain Hall residents with her.

Her next destination is Burns Lake in British Columbia where she will be the lady of the house in a high school dormitory housing 16 boys and 16 girls. She looks forward to the experience and the adventure that awaits her. She sounded happy over the idea of travelling across Canada, and she thinks she will enjoy the country life in Burns Lake. She loves fishing, horseback riding and bicycling, which are a few of the things

she hopes to take up in her free time.

Asked what improvements he brought about during her stay here at Mac, Miss Dusek said that there were no major changes. Most important, however, is the atmosphere she has been able to create by taking to the boys. admiration the residence Warden, and she has no doubt for that he will accomplish much for the residents of Brittain Hall.

She is full of life and vigour, and is, above all, patient. She confided that she will be missing all the boys in Brittain Hall, and Campus life as a whole.

She expressed much admiration for the residence Warden, and she has no doubt for that he will accomplish much for the residents of Brittain Hall.

We wish Miss Dusek the best of luck in her new position and we hope that she will cherish her memories of life in Brittain Hall.

\$100. For Your Jingle

We hesitate to print these late Victorian lines and sure as hell would not utter them out loud. Anything is better than "Fairest of colleges, give her three times three -"

ALL HAIL, MACDONALD!

All hail, Macdonald! We sing to thee,
Fairest of colleges, give her three times three—
Rah! Rah! Rah!
Long may we cherish thee; faithful we'll be.
Macdonald's the college for you and me.

Strong as the Ottawa past thee doth flow,
Forth from thy portals may thy children go.
Rah! Rah! Rah!
Never forgetting thee or thy goodly fame,
Macdonald, we'll conquer by force of thy name.

And hail, Macdonald! Though gone from thee
Sweetest of memories always thou will be.
Thou gav'st us knowledgem courage, and friends,
And though we have left thee thy gift never ends.

It's not a secret that we desperately need a college song. Let's have a song with pep and movement indicative of our spirit! In view of this, the administration is offering a prize of \$100.00 to any Macdonald College student who comes up with a winning song to replace the present eulogy.

Clan members, what we need is a college song and a few good cheers. Remember, \$100.00 is yours for the taking.

Clansmens Crush Georgians

On Saturday afternoon, upwards of 1,000 people saw the Macdonald Clansmen open the 1967 season with an impressive display of power. The offensive team rolled up 35 well earned points while the Clansmen defense stymied all offensive efforts by the Georgians.

The game, which at times was marred by poor sportsmanship on the field and some equally poor behavior by the crowd, should give the Clansmen a confident start for the coming season. However, as coach Pugh pointed out, the Georgians failed to capitalise on many mistakes made by the Clansmen.

Macdonald started off on the right foot with a 60 yard return by Winston Ingalls. After a series of ball exchanges Jim Maclellan combined with Bill Holt for a 35 yard pass and run play to put the Clansmen on the scoreboard.

Early in the second quarter, Winston Ingalls swept around the end for a 9 yard touchdown run. The convert was wide and the Clansmen left the field at half time with an 18 point lead over the Georgians who had failed to score.

The 3rd. quarter of action saw the Clansmen dominate the ga-

me both offensively and defensively. The scoring opened as the Georgians, trapped in their own end, were forced to kick on a 3rd. down play. Brian Duckett, playing a fine game at defensive center blocked the kick, Danny McKinney tackled, and the Georgians were caught in their own end zone. The Mac score rose two points.

The Clansmen, now with a 20-0 lead, started to rally offensively and a sustained drive culminated in a 10 yard touchdown pass to Dave Kidd. This time the convert was good and Mac. now held a commanding 27 point lead. The scoring was rounded out in the fourth quarter when Maclellan made good a 15 yard touchdown to Morgan. Intelligent use of the new convert rule was shown when Maclellan passed to Ken Ross who crossed the line for a two point convert. The clansmen finished the day with 35 resounding points.

Coaches Pleased with Players Performance

After Saturday's game, Coach Pugh had plenty of praise. Many a player shone in individual performances but at times the team failed to respond as a unit. Al Wright and John Wilkinson were strong at their interior line backer positions and were

backed up by the consistent corner like backing play of Bob Hartley and Peter Steiche.

Offensively the front wall of the clansmen blocked well for this early stage in the season. Blocking downfield in several

Soccer

After two weeks of practice, Mac's players are starting to harvest the fruits of hard training.

They are getting to know their positions individually and also to work as a team. There has been a great deal of shuffling by the coaching staff to see who looks more adequate and where.

Good performances have been obtained from rookie goalie, J. Rogerson and left fullback, Z.

Ghazzali. The return of Toot Ladipo has certainly strengthened the team at midfield.

September 30, the Clansmen travel to Ottawa to play Carleton, who in the past few years has been a top contender. The game looks very promising and it should be quite indicative of how well Mac will do this year. We hope to do our best and bring back to you two precious points.

Rugger in full swing

With some of the best turnouts yet, the Mac Rugger Club is well into preliminary practices and the new player confusion is gradually being sorted out.

The season starts tomorrow with a "Round Robin" between, Mac, McGill, and the Wanderers from Montreal. The afternoon

will be on a trial basis and nothing is at stake, save team organization.

Prospects that 14 out of 15 players on the team, will be Canadian throughout the season indicates that a good number of new players to the game will be representing the college.

'Cheerleaders 67'

Lassies Sports

The Lassies' Field Hockey Team has been working hard in preparation for their upcoming games. The team, coached by Miss Proyer, meet their first competition on October 5, at the upper field when they encounter Macdonald High. The game is interesting and easy to understand, so come out and support the Lassies' efforts.

SWIM MARATHON

Girls: Don't miss your first intramural activity of the year.

The Interteam Marathon officially begins Monday, October 2, and concludes Thursday, October 5. Rules are posted on the notice boards, and are distributed in each residence.

You don't have to be a good swimmer — every little length helps.

COME ON:

- lose those extra pounds
 - do away with baths and showers
 - wash your hair after
 - gain valuable points for your class
 - straighten your curly hair
- So everyone float in, and HAVE FUN!

Classified

Classified ads will be placed in this column free of charge if submitted before 6 p.m. Monday. This courtesy is offered to students, staff, and organisations on the campus of Macdonald College.

GLEE CLUB

DID YOU KNOW that Macdonald College has a Glee Club? The Glee Club welcomes any student regardless of his sex, age, experience or faculty.

Practices are held every Monday from 12:40 to 1:15 p.m. in the Assembly Hall. The Glee Club needs you.

DANCE ANYONE?

COME TO THE "Piz Skin Parade" after Pen Rally tonite 9-lam.. New Coffee Shhn. 50 cents a person.

TREASURER NEEDED

A PERSON (preferably male) interested in taking over as treasurer of Dance Committee for the approaching year with the opportunity of becoming President the following year. All interested parties please contact Mike Ellis, room 393, Brittain Hall.

DRIVING LESSONS

EXPERIENCED DRIVERS or otherwise, everyone is invited to the Tractor Driving Rodeo, beginning Monday, October 2nd at the lower campus after dinner till dusk.

DEBATING SOCIETY

- **DO YOU GET** a kick out of sneaking in public?
- **WOULD YOU LIKE** to be able to sneak in public?
- **DO YOU HAVE** and up-coming seminar that just about scares you out of your wits?

THE DEBATING SOCIETY provides an opportunity for all to learn and perfect the art of public speaking and debating. It's a challenge and a hell of a lot of fun.

Expected to be Tougher Opposition

When asked to predict the outcome for the neat Saturday's game, coach Pugh refused to comment. Game time is 2:00 p.m. Saturday at the new U. de M. Stadium at the corner of Maplewood and Bellingham.
